Dear Friend,

May I introduce to you the people of Florida Bible College of Tampa, and the Bible-centered program of instruction we offer.

It is my prayer that you will find the very best God has for you in this life, and that Florida Bible College of Tampa will offer you the professional teaching and training in Biblical studies and ministry skills that will equip you to be a fruitful disciple and a soul-winner, reaping great rewards in heaven.

Here you may find what Florida Bible College of Tampa has to offer. By what you find here you may evaluate if this is indeed the place where God will mold you and shape you to serve Him.

What sets Florida Bible College of Tampa apart? We emphasize *clarity* and *simplicity*. Many people know and share the gospel. Our aim is to prepare people who will share the gospel with "words easy to be understood" (1 Corinthians 14:9). If your desire is to be skilled in God's word, and to help others to understand the gospel, and to trust the Savior, then perhaps the Lord is leading you to study with us here in Tampa, Florida.

Sincerely yours,
Dr. Ralph Arnold
President

You may be sure of Heaven according to the Bible, if you will do no more than put your trust in the Lord Jesus Christ.

We believe the general plan of salvation is best presented in the following manner:

1. All people are sinners (Romans 3:10; Isaiah 64:6; Romans 3:23; James 2:10; Jeremiah 17:9).
2. The penalty of sin is death (Romans 6:23; Ezekiel 18:20).
3. A person must be perfect to enter heaven (Revelation 21:27).
4. A person can do nothing of himself to obtain this perfection (Ephesians 2:8-9; Galatians 2:21; Romans 4:5).
5. God provided a Sin-bearer and imputes to a person His righteousness (2 Corinthians 5:21; Philippians 3:9; Isaiah 53:6; 1 Peter 3:18).
6. A person needs only belief in the Lord Jesus Christ as his personal Savior for salvation (John 3:16; John 1:12; Acts 16:31).
7. A person may be certain of his salvation, now, and may be certain that his salvation cannot be lost because eternal life is everlasting (John 6:37-39; 10:28; 1 Peter 1:5; Hebrews 10:10-14; 1 John 5:13).

Why FBCT for me?

A message from the Registrar . . .

I trusted the Savior when I was fifteen, with the help of a Florida Bible College graduate. In the next year, another FBC graduate became my mentor. Because of what I saw in the lives of these men and their wives, when it was time for me to choose a direction for higher education, my choice was Florida Bible College.

What did I see? I saw lives being blessed with lasting, abiding satisfaction; lives not focused on material things, but on the blessing of God, as they poured themselves into evangelism, and making disciples of teenagers.

It was often said that young people did not go to Florida Bible College to learn how to make a living – rather, we went to Florida Bible College to learn how to live.

Who belongs at FBC of Tampa?

We are unashamed of what we are and what we stand for. Historically, we have three distinctives:

1. A clear, simple message:

- Lost people need to hear how to be saved. Mixing salvation by grace through faith with any addition of good works confuses lost people – and they stay lost.
- Saved people ought to be taught how to live Christian lives. Saved people *ought to* be baptized, *ought to* submit to the Lordship of Christ, *ought to* deal with their sins, *ought to* pray, *ought to* study God’s Word, *ought to* participate in the local church, and *ought to* learn how to effectively share the gospel.
- Florida Bible College of Tampa never mixes salvation and service and never confuses grace with good works.

2. A passion to present the gospel message effectively:

- FBCT students learn personal evangelism methods and skills that have proven effective for generations:
 - ✓ The “wallet illustration” first described by R. A. Torrey and perfected by A. Ray Stanford, is mastered and used by all staff and students.
 - ✓ One-on-one presentation of the gospel, utilizing a simple gospel tract, is taught and perfected.
 - ✓ A lost person is given enough information to understand the gospel without moving from his seat – we invite him to receive the Savior “just as he is”, where he is.
- We emphasize the importance of presenting the gospel on every occasion.

3. Faithfulness to the fundamental doctrines of the faith

- Our doctrinal statement with accompanying Bible references may be found in the back of this catalog.
- We are pre-millennial and dispensational.
- We believe in a young earth created in six days.
- We teach the Bible only from the KJV as we believe it is the best English version.

Student Life

Philosophy

The Bible, God's Word, is clear regarding the obligation of believers to grow and mature toward Christlikeness.

That we *henceforth* be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, *and* cunning craftiness, whereby they lie in wait to deceive; But speaking the truth in love, may grow up into him in all things, which is the head, *even* Christ: (Ephesians 4:14-15)

The students and staff of Florida Bible College of Tampa, together with the members of our host church, make up a community of believers who worship together, pray together, care for one another, and together grow in Christian maturity. We share the vision of presenting a clear, simple gospel message to the lost across the street and around the world. The head of our enterprise is the Lord Jesus Christ. His leadership guides us as we grow together and fulfill our mission of preaching the gospel and teaching the next generation of soul-winning leaders.

It is a privilege to be a part of the family at Florida Bible College of Tampa, and we who are a part have responsibilities. We take our responsibilities seriously. We are surrounded by a cloud of witnesses – the church family, parents, donors, and the community around us, as well as the heavenly cloud of witnesses. Supremely, the Lord will review our lives, and reward us accordingly.

Lest anyone be confused, eternal life is the free gift of God, given by grace without works to each one who believes that Jesus loves us and died in our place. After salvation, every child of God *ought to* grow and increase in maturity, as he learns God's Word, serves others, discovers his gifts, and shares the gospel with the lost.

Someone has said that the Christian life is not difficult – it is *impossible*. As it would be impossible for anyone to merit eternal life by good works, similarly the successful Christian life is only possible by the grace of God. But we who believe are assured that our heavenly Father has empowered us. His Spirit lives in us and teaches us through God's Word the eternal purpose for our lives.

The Christian life must be built on proper obedience and proper motivation, which enable believers to adequately make choices that are based upon things such as love toward God, gratitude for salvation, a shared concern for the eternal destiny of the lost, and a desire for eternal rewards. While the mechanics of the Christian life (Bible study, prayer, worship, fellowship, and sharing the gospel) do not make one "spiritual", these elements certainly characterize a spiritually mature person.

While observance of guidelines does not guarantee attainment of spirituality, the attitudes and reactions of believers who willingly submit to guidelines can reveal their integrity and character.

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, *which is your reasonable service*. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what *is that good, and acceptable, and perfect, will of God.*"

(Rom 12:1-2)

Love God

The greatest command in the Law is the command to love God. We love Him because He first loved us. We do not love God in order to earn salvation, and loving God does not place us under the law. Grace teaches us that love is the fulfilling of the law.

"Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love. In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him. Herein is love, not that we loved

God, but that he loved us, and sent his Son *to be* the propitiation for our sins. Beloved, if God so loved us, we ought also to love one another. No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us.” (1 John 4:7-12)

Love One Another and Others

**“And the second *is* like unto it, Thou shalt love thy neighbour as thyself.”
(Matthew 22:39)**

“But take heed lest by any means this liberty of yours become a stumblingblock to them that are weak. For if any man see thee which hast knowledge sit at meat in the idol's temple, shall not the conscience of him which is weak be emboldened to eat those things which are offered to idols; And through thy knowledge shall the weak brother perish, for whom Christ died? But when ye sin so against the brethren, and wound their weak conscience, ye sin against Christ. Wherefore, if meat make my brother to offend, I will eat no flesh while the world standeth, lest I make my brother to offend.” (1 Corinthians 8:9-13)

To encourage mutual consideration, preserve the testimony of the college in the community, and facilitate accomplishment of its purpose, Florida Bible College of Tampa sets forth the following standards of conduct. Students who apply for admission to the college agree to “cheerfully abide” by these standards. Some may not have personal convictions wholly in accord with these standards, but all students must obligate themselves to adhere to these standards while enrolled at FBC. They must withdraw if they are unable to comply.

- **Church Participation** – Sunday School, Sunday morning and evening worship, and midweek service participation is expected. Commuting students from the Tampa Bay area are expected to faithfully continue participating in all services of their home church. Out of town students are expected to participate in the services of our host, Calvary Community Church. Upperclassmen may seek service opportunities in other local churches, with FBC staff advice and consent.

- Chapel – Mid-morning chapel services provide spiritual refreshment to the FBC community on scheduled days. Students are expected to participate in chapel every day on which they have a class scheduled.
- Christian Service – Degree-seeking students are expected to serve in Christian ministry on a regular basis. Service in ministry provides the practical experience to enable a Bible college graduate to move into his life work with skill and confidence. Practical experience is as essential as classroom training. Upperclassmen will be encouraged to move into leadership opportunities while they are still in college. Graduation from Florida Bible College is conditioned on satisfactory Christian service as well as completion of the academic requirements.

Biblical Standards

Practices plainly taught in the Bible as morally wrong are prohibited. Violation of the following standards could be cause for dismissal from FBC. These include (but are not limited to): disrespect to those in authority, drunkenness, theft, slanderous or profane language, gossip, occult practices, cheating and other integrity violations. Sexual sins include (but are not limited to) premarital sex, adultery, homosexual behavior, or sexual harassment, and are cause for dismissal. Conviction of any crime is cause for dismissal. The President will review all such behavior issues and will make the final decision in any matter of student dismissal.

Certain practices allowed in the culture surrounding us can be harmful and lead to immoral behavior. Members of the FBCT community (students and staff) are expected to refrain from possession or use of alcoholic beverages, tobacco, drugs not prescribed by their physician, pornography or obscene material, gambling, social dancing in clubs or bars (“clubbing”), not meeting financial obligations properly, and substandard work performance.

- **Grace Period and Problem Resolution:** Anyone who comes to FBCT struggling with any of these behaviors will have a two-week grace period at the beginning of each semester to privately explain this problem to the Dean of the college. No immediate discipline will be administered if the student makes this explanation during the two-week grace period. The Dean and the

student agree on a plan for addressing the student's behavior in a confidential manner. The primary goal is for the student to cease the improper behavior immediately. If the two-week grace period passes without the student taking the initiative to seek help from the Dean, the behavior will be addressed pursuant to discipline standards in place.

- **Discipline:**

1. When the standards of Florida Bible College of Tampa are violated, a staff member will privately confront the offending student, and clearly outline the violation.
2. If the student accepts the admonition and responds appropriately, no further action is taken.
3. If a student does not respond appropriately, an immediate appointment will be scheduled with the Dean. The staff member will accompany the student and outline the violation and the student response to the Dean. The Dean will ask, in the staff member's presence, for the student's response. If the student responds appropriately, a written report and warning will be placed in the student permanent record, and no further action is taken.
4. If the student does not respond appropriately, an immediate appointment will be scheduled with the President to determine if dismissal is appropriate. Prior to dismissal the student will be asked for a response. If the student responds appropriately, he or she will be placed on disciplinary probation for one semester, and the incident will become part of his or her permanent record.
5. If the same student commits a similar violation again, the same steps are followed with the following exception: If the student responds appropriately to the staff member, a written warning is placed into the student's permanent record. If the student must meet with the Dean again, and an appropriate response is made, the student is placed on disciplinary probation. If the student does not respond appropriately to the dean, he is referred to the President FOR DISMISSAL. It is solely within the President's discretion to decide the proper course of action.
6. If a former student was dismissed for reasons of unacceptable conduct, reinstatement would follow only if the former student exhibited conduct in accord with the requirements of the college as set forth in the catalog, for an observed period of one year, while NOT a student in the college; upon the former student's request to the college President, the President may, within his sole discretion, reinstate that student.

- ***Open Door Policy***

It is our hope that any problem that may arise for any student may be resolved swiftly, and to the satisfaction of all involved. To this end, every instructor, administrator and officer of the college has an "open-door"

policy – we will listen to any student concern. If, as it may happen, a student has an issue that should be resolved between that student and another student, we will urge the student to follow the Biblical guidelines and seek resolution on a private level (see **Personal Confrontation**, p. 14).

- **Appropriate Demeanor**

1. Come to classes on time, with textbook(s) and all other required materials.
2. Address teachers and other students by appropriate titles (Doctor, Mister, Pastor, Mrs. and Miss) and with appropriate respect.
3. Be courteous: sit up, listen attentively, and participate in class discussions.
4. Work missed due to *unexcused* absences may NOT be made up. For excused absences, the student can make up missed work (both tests and assignments) on his own initiative, within one week of return from the excused absence (two weeks for final exams).
5. Student government officers act on behalf of the President of the college and should be accorded due respect.

- **Student Employment**

All student employment must be approved by an FBC staff member; no student should accept employment of questionable nature.

- **Dress Code**

"What? know ye not that your body is the temple of the Holy Ghost, which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore, glorify God in your body, and in your spirit, which are God's." (1 Cor. 6 :19-20; cf. 1 Timothy 4:12)

The way we live, and dress is the way the world around us sees Jesus Christ. Florida Bible College of Tampa trains Christian leaders and Christian professionals. We will teach students to dress in an appropriate, modest, professional manner. Although thinking may differ regarding modern clothing and style choices, FBCT reserves the right to take a conservative approach to standards of dress and appearance. The Bible teaches standards of modesty, simplicity, neatness and cleanliness. Awareness of appropriate dress is an important part of any individual's social

maturity. Students and staff are expected to avoid the following extremes in fashion:

- Clothing: immodest length, too tight; in poor repair; styles typical of a rebellious subculture, or printed messages contrary to the goals and values of God’s Word.
- Hairstyles: Men’s hair length to be off the ears and collar; not unkempt nor an unnatural color.
- Piercings: Only women may wear pierced earrings, at the ear lobe, no more than two pairs.
- Shoes: must always be worn in all buildings.

Chapel and Classroom Attire

- Men should wear dress slacks, dress shirts, ties and leather dress-style shoes in all chapel services.
- Women should wear knee-length skirts or dresses with shoulders covered, and dress-style shoes in chapels.
- All students are to be neat and clean with clothing in good repair. Neither shorts nor jeans are allowed in classes or chapel. Men must refrain from wearing hats or caps in chapel or classroom.
- When making presentations before a class or on similar occasions, students should dress professionally.

Special Events

- At banquets, convocation, President’s reception, graduation and other special events, students should dress in semi-formal or business attire.

These standards are to be always observed on the campus, and off campus while representing the college.

- ***Entertainment***

"...know ye not that the friendship of the world is enmity with God? whoso ever therefore will be a friend of the world is the enemy of God." (James 4:4)
"Finally, brethren, whatsoever things are true, whatsoever things *are* honest, whatsoever things *are* just, whatsoever things *are* pure, whatsoever things *are* lovely, whatsoever things *are* of good report; if *there be* any virtue, and if *there be* any praise, think on these things." (Philippians 4:8; cf. James 4:4)

Students are expected to refrain from any television programs, internet sites, video games, movies, music, posters, printed material, or any other entertainment which is morally degrading, deviates from Biblical standards,

maligns God, God's Word, or God's work, or desensitizes the participant to ungodliness.

Pornography (print or internet) is an addictive, escalating sin. Use or possession of such is prohibited. FBC seeks to help any who may be struggling with this self-destructive behavior, through education, counseling, discipline, and the monitoring of internet use.

Many other forms of entertainment can easily steal away too much time from students trying to succeed academically and in ministry.

➤ ***Discernment:***

Consider any entertainment by the following standards:

1. If content violates Biblical doctrine or standard, avoid it entirely.
2. Weigh whether content can be said to **glorify God**:
 - a. Some is always acceptable, and not questioned by any.
 - b. Some may include content that meets Biblical standards but might include elements that are **not** acceptable to everyone. This type should be enjoyed privately or in a setting where no one else is disturbed.
 - c. Some, is always unacceptable, with content in violation of our standards
3. Some collections may include content of more than one of the above three categories. Students are strongly encouraged to leave borderline entertainment collections or items elsewhere.
4. Performance entertainments are subject to the same standards.

➤ ***FBCT Music Standard:***

Good music has a balance of the elements of melody, harmony and rhythm. Good vocal music has words that are easily understood.

FBCT staff may request (verbally or in writing) an explanation from a student regarding specific entertainment the student has chosen. Always remember the principles of tolerance and sensitivity to the concerns of others.

- ***Personal Confrontation***

FBCT encourages all students and staff to practice issues of personal confrontation in accord with the Biblical model (Matthew 18:15-20), always with humility and the goal of honoring God:

1. If you have suffered an offence, you should first speak to the offending person privately.
2. If you are unable to be reconciled, you should speak to the offending person in the presence of one or two other mature witnesses.
3. If reconciliation is still not obtained, bring the matter before the authorities.

- ***Dating, Engagement and Marriage***

“For this is the will of God, *even your sanctification, that ye should abstain from fornication: That every one of you should know how to possess his vessel in sanctification and honour; Not in the lust of concupiscence, even as the Gentiles which know not God:*”
(1 Thessalonians 4:3-5)

Public displays of affection among couples (beyond hand holding) can create an atmosphere that is uncomfortable for others. Couples also have a responsibility to maintain Biblically sound standards in their private behavior. Students should not place themselves in compromising situations.

Students must complete at least three semesters at Florida Bible College of Tampa, or attain the age of 21 before marrying. FBCT staff members are available to any who wish to discuss this policy privately. Group sessions for those considering engagement and marriage will be scheduled as needed.

For, brethren, ye have been called unto liberty; only *use not liberty for an occasion to the flesh, but by love serve one another.* (Galatians 5:13)

Campus Facilities

Florida Bible College of Tampa enjoys the use of the facilities of our host church, Calvary Community Church of Tampa. The church physical plant includes two main buildings, both with multi-unit central heat and a/c, with an auditorium seating 300+ (3,250 sq.ft.), a church library (500 sq.ft) with conference table and chairs, a high-speed color printer/copier, a full-sized gymnasium (4,950 sq.ft.) with a stage at one end, 34 banquet tables and 154 chairs, and a food service facility (378 sq.ft.) with stove/oven, 3 refrigerators, 2 microwaves, 2 coffee makers, 2 sinks, at the other end. The Registrar's/ Dean of Women's Office (506 sq.ft) contains a second library of college resources (est. 5,000 volumes) for student research, desks, filing, 3 computers (two with cameras, one for student use), two printer/scanners, and a high-speed copier. Three classrooms, with appropriate desks and student tables, technology and seating, surround the gymnasium.

The auditorium and several of the classrooms are equipped with state-of-the-art computer driven audio and video recording equipment, enabling the recording and the live streaming of class sessions. The auditorium and two other classrooms are also equipped with appropriate personal computers and video projectors to enable instruction using digital presentation materials. Classrooms also include white boards; one has a "smart board". Wireless internet routers are located in both buildings, allowing both students and instructors to utilize the resources of the internet for research or for classroom presentation.

Most instructors teach from their own notes, providing a copy of the course outline to the students, or from textbook materials – the students purchase textbooks for each course, as the instructor may deem appropriate, at registration, before each semester begins. Student-use computers and printers are available.

A food preparation and storage area is also available for student use, in this gymnasium-classroom building. These areas are open for the students to use between the hours of 7:00 a.m. and 5:00 p.m., Monday through Friday.

A classroom will be maintained as a quiet place for study when the gym is open, and both libraries will be open for research and study purposes.

Textbooks

The FBC Bookstore will make the required textbooks available to students at a discount. Textbooks must be paid for in full when purchased and are required for each class when class begins. The cost of books will vary each semester, depending on the classes attempted. USED textbooks are employed to the fullest extent possible, to reduce the financial burden. A full-time student might expect books to cost from \$85 to \$150 per semester.

Evening School Charges:

Matriculation, Tuition, Audit Fees, and textbook charges are the same for the evening school as for the day school.

Florida Bible College Online

Florida Bible College of Tampa offers live classes in the classroom at our Tampa, Florida campus every semester, beginning in mid-August and early January each year. **In addition**, our classes are available online, in two forms:

Live Streaming: Each semester, the live classes are “streamed” onto the internet as they are taught in the classroom. Distant learners may participate in these live classes either by simply viewing the stream and keeping up with the assigned work by means of electronic communication with the instructor, or by a live video-chat connection that allows questions to be asked and answered, by both instructor and student. Also, any missed classes continue to be available in the “stream” and may be viewed after the fact by students who find a scheduling conflict or an absence for another reason. Students who view a class or classes while live or after the fact are required to report their attendance to the video to the instructor and must “keep up” with all assigned work, by direct communication with the instructor.

Online Archive: A growing catalog of our courses have been assembled in an automated system that allows a registered student to access class materials and videos 24/7, view videos, take quizzes, tests and exams, and complete entire courses. The student may register for several classes, and then complete them sequentially, rather than simultaneously, allowing studies with less distraction.

**One semester-hour is equal to one fifty-minute class-period meeting each week for at least fifteen weeks.*

Online School Charges:

Matriculation, Tuition, Audit Fees, and textbook charges are the same for the online school as for the day school.

The Veterans' Administration has NOT approved any of our online options.

REFUND POLICY: Registration is the date the semester officially begins. If it becomes necessary for a student to leave school prior to completion of a semester, **the date of withdrawal is the date a signed request for withdrawal is received by the Registrar's Office.** REFUND of the unused portion of **tuition, fees and other charges** will be made, of all amounts which exceed the pro-rata portion of the total charges that the length of the completed portion of the course bears to the total length of the course. The proration will be determined based on the ratio of the number of days or hours of instruction prior to the student's **withdrawal** to the total number of days or hours in the course. *(VA students are considered withdrawn as of the last day attended.)*

Refund during the first week of the semester: 100%

All financial obligations to the college *(including fees and fines of any kind)* must be satisfied before any degree or diploma will be awarded, any certificate, transcript of credits, or letter of recommendation will be granted to any student.

Registration obligates the student for full payment of tuition and semester fees. If a student is unable to pay the tuition in full at the time of registration, he must pay a minimum of 16.6% of the amount due during the first week of classes and *may* make "deferred payments" to pay the balance over the course of the semester. This choice incurs a **deferred payment fee** of \$100, not to exceed 10% of the total. Regular payments on the student's account will be scheduled at Registration, so that the balance is paid in full on a date prior to the final exam date for the semester. *(VA students must pay for books and fees upon registration, or no later than a week after receipt of their first education stipend payment.)*

All registrations must be completed on the published Registration Date, or no later than the end of the second week of classes of any semester. An **early/late registration fee** of \$20 is incurred if a student registers within this period, but BEFORE OR AFTER the scheduled registration dates.

A **change of course fee** of \$30 is incurred if a student changes from one course to another after the first week of classes. A **drop fee** or **add fee** (each \$20) is charged for each course a student drops or adds after the first week of classes.

Academic Information

Credits

Florida Bible College operates on a semester system, with an academic year of two fifteen-week semesters; a summer session may be a future option. The "semester hour" is the unit of academic credit, representing one class period

**One semester-hour is equal to one fifty-minute class-period meeting each week for at least fifteen weeks.*

fifty minutes in length, per week, for one semester of at least fifteen weeks. One semester hour equals 12.5 clock hours or more. (*Semesters are sometimes extended to compensate for holidays, and to allow for exam periods.*)

Academic Records

At the beginning of each semester, the Registrar's office provides to each instructor a classroom gradebook for each class, with the registered students' names recorded. Should students come or go, during the semester, by completing an official drop or add process with the Registrar's office, the Registrar informs the instructor of any official changes to make in that gradebook.

The instructors use the gradebooks to officially record attendance (including distinguishing *excused* and *unexcused* absences and tardies), and all academic grades (quizzes, tests, projects, etc.), in accordance with their own course syllabi. *Students viewing the online stream must report their attendance to the instructor(s) by electronic means.* The Dean will notify each instructor of absences that have been deemed *excused*. At the close of each semester, the instructors each calculate the final grades for each student in each course, record the same in the gradebook, and return the gradebooks to the Registrar.

A courtesy mid-semester report is provided each student after mid-term exams, showing grade earned to date, attendance record, and any missed work which might be made up. This is not part of any permanent record.

After the end of each semester, the Registrar issues to each student a grade report immediately upon receiving all the completed gradebooks for the semester, showing classes attempted and completed, with the grade earned and the quality points for that class, as well as the quality point average and the cumulative quality point average. The Registrar maintains a paper file copy of these grade reports in each student's permanent file, to use as the basis for any official grade transcript that might be required, and maintains these same records digitally. The completed course gradebooks are also maintained as permanent records in the Registrar's office.

Class Attendance

The day classes schedule runs Monday through Friday, from 7:30 a.m. to 12:20 p.m. Evening classes may be offered, meeting from 7 p.m. to 8:50 p.m., or some equivalent period, on different evenings of the week, according to each semester's specific schedule. Each class period is fifty minutes in length, with a ten-minute break between classes. Students are expected to attend all sessions of each course in which they are enrolled. Every instructor is required to call the roll or employ some other efficient method of recording attendance at the beginning of each class session, in a class gradebook. Early departures, class cuts, etc. for any portion of a class period will be counted as an absence.

When it is necessary for a student to be absent from a class, the student must:

1. Complete and submit to the Dean an application to make the absence "excused";
2. Take the initiative, make arrangements with the instructor, for completion of any work missed.
3. Work missed due to unexcused absences may NOT be made-up.
4. *Students may render absences moot by viewing the recorded stream of the missed class and communicating their attendance by that means to the instructor.*

Penalties:

- An unexcused absence immediately preceding or following a holiday will count as two unexcused absences.
- If the student accumulates a total of absences (excused and unexcused) in excess of 20% of the total course hours, no credit can be given for that course. *Benefits of VA students exceeding 20% absences in a calendar month will be terminated for unsatisfactory attendance. A VA student, after having benefits terminated for unsatisfactory attendance, must show good attendance for one calendar month, before being re-certified for VA education benefits. VA students' attendance records will be maintained in their permanent record file. VA students may NOT deal with absences by viewing the online stream.*
- Classes will start and end promptly according to the schedule; a student not in his seat at that time is tardy. Three tardies will constitute an unexcused absence. The student must report his presence to the instructor immediately AFTER the class, if tardy for class. Tardy in excess of fifteen minutes is deemed an absence.

Policy allowing Ch. 31 and Ch. 32 beneficiaries to attend or participate in courses, without penalty, pending VA payment:

1. Any person who is using benefits under Title 38 US Code 3679 Chapter 31 or Chapter 33 may attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility (COE) for entitlement to educational assistance, ending on the earlier of the date on which payment from the VA is made to the institution, or 90 days after the date the institution certified tuition and fees after receiving the Coe.
2. The college will not impose any penalty on the individual due to the delayed disbursement of funding from the VA.
3. Such a person should submit a COE not later than the first day of the course of education for which the individual has indicated his desire to use his entitlement to educational assistance.
4. Such a person should submit a written request to use such entitlement.

Academic Standards

1. A student may take no more than eighteen semester hours* each semester without special permission.
2. All courses attempted and completed become part of the student's permanent record and will show on any transcript of credits issued. Courses in which a student receives a grade of D or F may be repeated. In such cases, the lower grade will be disregarded and only the higher grade and corresponding quality points will be taken into consideration for computation of quality point average.
3. Academic standards will be maintained at a recognized college level. A cumulative quality point average of 1.5 or above is required for a student to continue as a regular student, or to hold any student office or position of leadership in ministry. When a student's work falls below this standard, he is placed in a probation status. Failure to improve grades while in probation status may result in dismissal from the

**One semester-hour is equal to one fifty-minute class-period meeting each week for at least fifteen weeks.*

4. college. *VA student benefits terminate after two consecutive semesters of cumulative quality point average below 1.5. The VA students may be re-certified after attaining a cumulative QPA of better than 1.5.*
5. Without exception, when a student knows he is doing substandard or failing work, it is the responsibility of the student to seek to meet with the instructor or instructors of his classes, for special assignments which might be assigned and completed to help raise the student's grades. *Delay in seeking such help can easily mean it will be too late for such help to be given. Each teacher establishes his own policy on such matters.*

Academic Probation Progression

1. **First Probation** – after the first semester of below standard work (less than 1.5 quality point average).
2. **Second Probation** – after the second semester of below standard work. Student will not be allowed to attempt more than twelve semester hours* during the following semester.
3. **Third Probation** – after the third semester of below standard work. Student will not be allowed to attempt more than six semester hours* during the following semester.
4. **Academic Dismissal** – after the fourth semester of below standard work. The student is dismissed from the school.

Reinstatement

After a student is dismissed for substandard work, he may only be readmitted to the college after interview and counsel with both the Registrar and the President.

Style Requirements

Papers as may be required by instructors are to be in accordance with the Modern Language Association (MLA) style. MLA style typically is used for literature and humanities documents. MLA citation requires two-part parenthetical entries for each source. The in-text citation identifies the source and points the reader to the works cited list, found following the document. Generally, the in-text citation should include the author’s last name and the pages of the cited information, and the writer should place it immediately after the quoted or paraphrased text. For the works cited list, compile the sources in alphabetical order by the authors’ last names or by the title of the article if author names are not available.

Graduation Requirements:

Upon satisfactory completion of all requirements, students will be awarded the diploma or certificate earned.

- **The candidate for graduation** must satisfactorily complete the required number of semester hours* prescribed by the college for the degree or certificate he seeks. The required CORE COURSES for any program must be satisfactorily completed. TRANSFER CREDITS of the CORE COURSES will be accepted only by examination.
- **The candidate must** give evidence of a consistent Christian life and faithful, effective Christian service.
- **The candidate must** settle all financial accounts.
- **“Satisfactory completion” means** an overall quality point average of at least 2.0. During the Junior and Senior years (after a student has completed 64 semester hours*), only grades of C or better are accepted toward the graduation requirements.

The document provided to students upon graduation is, as appropriate, a Certificate or a Diploma identifying the granting College, the name of the certificate or degree, the name of the recipient, the date done, and the number of semester-hours* completed. It shall be signed by the President and the Registrar, or other designated officials. It shall be sealed with the Seal of the College. It may indicate by second seal an earned degree of academic honors. It will bear appropriate verbiage to indicate the involvement the involvement of the Trustees of the College, and what rights and privileges it confers.

Programs of Study

Each program prepares the student for Christian ministry, as stated in the program descriptions. No state license nor certificate is required for Christian ministry. Some students who have completed our programs have requested and obtained “ordination” from our host church or from another church.

Degrees

Bachelor of Biblical Studies (BBS - Four Year Program)

For the most thorough grounding in Biblical Studies, combined with practical training in the several areas of Christian ministry, a candidate for this degree must successfully complete a minimum of 128 semester hours* (1600 clock hours). Graduates may enter directly into professional Christian service.

**One semester-hour is equal to one fifty-minute class-period meeting each week for at least fifteen weeks.*

Associate of Biblical Studies (ABS - Two Year Program)

This program, requiring successful completion of a minimum of sixty-four semester hours* (800 clock hours) includes the more essential elements of the four-year program, to Biblically equip the person who is choosing to follow a career path in another discipline. It also is the program leading to the Bachelor of Biblical Studies degree for candidates who transfer to Florida Bible College with sufficient acceptable hours earned elsewhere.

Certificates

“Foundations” Certificate of Biblical Studies (One Year Program)

For the student who wants a foundation in Biblical studies and the basics of ministry preparation, this thirty-two semester hour* (400 clock hours) program may be completed in two semesters (one year).

“Elements of Biblical Studies” Evening School Certificate

(Two Year Program)

This certificate is award to students who successfully complete 8 semester hours* (100 clock hours) for credit in the Florida Bible College evening institute. Evening institute courses are patterned after the day school courses but are either one- or two- semester hours* each. (Classes meet for two fifty-minute periods one day each week for a fifteen-week semester.) Note: evening school credits count as elective credits toward day school program graduation requirements, but an evening school one- or two- semester hour* version of a required three semester hour* day school course is not an acceptable *substitute* for the more thorough day school course.

Course Descriptions

Course Numbering System

Courses numbered 100-199 are for Freshmen (first-year students)

Courses numbered 200-299 are for Sophomores (second-year students)

Courses numbered 300-399 are for Juniors (third-year students)

Courses numbered 400-499 are for Seniors (fourth-year students)

There may be variation from these general rules, as some courses are offered in alternate years only, and as some students might be academically qualified by prior preparation to attempt more difficult courses earlier in their FBC career.

Generally course numbers ending in an odd digit are offered in the Fall, and in an even digit, the Spring. Numbers ending in zero may be offered either semester.

STATEMENT OF FAITH

Florida Bible College of Tampa, Inc. by and through its officers, trustees, faculty, staff and students affirms the following doctrinal statement in its entirety. We also confirm that the Bible controls all matters in faith and practice for the college.

A. THE HOLY SCRIPTURES

We believe the Bible, in its original documents, is the inspired Word of God, the written record of His supernatural revelation of Himself to man, absolute in its authority, complete in its revelation, final in its content, and without any errors in its statements (II Timothy 3:16; John 10:35; Psalms 89:34; Hebrews 6:18; II Peter 3:16).

To maintain a strong Bible emphasis; we use the King James Version (KJV) in our Bible study, memorization of Scripture, and the preaching of God's Word from the pulpit. It is important that one accepted translation of the Scripture be used to avoid confusion. Although we do not believe the translators of the Authorized King James Bible were inspired, we do believe that the Authorized King James Version, based upon the *Textus Receptus*, is the best translation. Therefore, the Authorized King James Bible shall be the Bible used by Florida Bible College of Tampa.

B. THE GODHEAD

We believe there is one God, eternally existent, Creator of heaven and earth. He is manifested in three persons (Father, Son, and Holy Spirit), co-eternal in being, co-identical in nature, co-equal in power and glory, and each having the same attributes and perfections (Deuteronomy 6:4; II Corinthians 13:14; Isaiah 7:14; 9:6; Genesis 1:2; John 14:9; I Timothy 3:16; I John 5:7).

C. THE PERSON AND WORK OF CHRIST

a. We believe that the Lord Jesus Christ, the eternal Son of God, became man without ceasing to be God, having been conceived by the Holy Spirit and born of the virgin Mary, in order that He might reveal God and redeem sinful men (John 1:1,3; Luke 1:35).

b. We believe that the Lord Jesus Christ is sinlessly perfect, and that He accomplished our redemption through His death on the cross as a representative, vicarious, substitutionary sacrifice, and that our justification is made sure by His literal, physical resurrection from the dead (Romans 3:24,25; I Peter 2:24; Ephesians 1:7; I Peter 1:3-5) His death was to pay for all sins (past, present, and future) of all the world (II Corinthians 5:21; Hebrews 10:10-14; Hebrews 9:28; Acts 13:38-41; I Peter 2:24; I John 3:5).

c. We believe that the Lord Jesus Christ ascended to heaven, and He is now exalted at the right hand of God, where, as our High Priest, He fulfills the ministry of Representative, Intercessor, and Advocate (Acts 1:9,10; Hebrews 9:24;7:25; Romans 8:34; I John 2:1,2).

D. THE PERSON AND WORK OF THE HOLY SPIRIT

a. We believe that the Holy Spirit is a person Who convicts the world of sin, of righteousness, and of judgment; and that He is the supernatural agent in regeneration, baptizing all believers into the body of Christ, indwelling and sealing them unto the day of redemption. The moment a person receives Christ as his Savior, the Holy Spirit immediately indwells that believer (John 16:8-11, I Corinthians 3:16; 12:12-14; Romans 8:9; Ephesians 1:13, 14; 4:30).

b. We believe that He is the Divine Teacher Who guides believers into all truth, and that it is the privilege and duty of all the saved to be

filled (controlled) with the Spirit (John 16:13; I John 2:20, 27; Ephesians 5:18).

E. PREDESTINATION AND FOREKNOWLEDGE

We believe God is absolutely sovereign: and in His sovereignty, He gave man a free will to accept or reject the salvation that He has provided. It is God's will that all would be saved and that none should perish. God permits man's destiny to depend upon man's choice (I Timothy 2:4; II Thessalonians 2:13; I Peter 1:2; II Peter 3:9; John 6:64, 65; Acts 10:34; I Corinthians 1:21; Ephesians 1:5-14; Romans 8:29,30; 9:30-32).

F. THE FALLEN HUMAN RACE

We believe each member of the human race is fallen, sinful, and lost, and regeneration by the Holy Spirit is absolutely essential for the salvation of man (Romans 3:23; John 3:7; Titus 3:5; Luke 24:49).

G. SALVATION

1. We believe man is saved by undeserved mercy through faith, and nothing of man enters into his salvation; it is a free gift. Man's efforts, regardless of how good or well-intended, before or after salvation have nothing to do with obtaining or keeping salvation. Salvation is by the finished work of Christ, and nothing can be added to it (Titus 3:5; Ephesians 2:8,9; Galatians 2:16; Romans 11:6; Colossians 2:13; Romans 3:22).

2. We believe repentance is necessary for salvation. The Greek work for "repent" is *metaneo*, which translated into English means "to change one's mind". It does not mean "to turn from sin", since that would mean works for salvation.

a. Repentance for salvation means a change of mind from man's ideas of salvation and religion to an acceptance of God's way of salvation.

b. Many teach repentance for salvation incorrectly by including some form of human effort or righteousness, such as willingness to turn from sin, or turning from sin. This is heresy and has confused many people because it adds works to salvation. This is "Galatianism", which is a counterfeit of the Gospel and is completely unscriptural.

c. It is a tragedy that many Christians live shallow Christian lives. We are dedicated to the task of training Christian men and women in the importance of total dedication and making Jesus the Lord of their lives, not to be saved, but because they are saved. Adding works to salvation cannot cure "Shallow Christianity". The true child of God is not under the law, but he is under grace. He is saved by grace and disciplined by grace (Romans 6:14,15;11:6; II Corinthians 3:17).

d. Salvation is not the result of what we do, but it is the result of receiving what God has done for us (Acts 13:38,39; Galatians 1:8,9; 2:16,21; 3:1-3; 5:1-4; Ephesians 2:8-10; II Corinthians 5:21; 11:13-15; Philippians 3:9; Titus 3:5-8; John 3:16-18).

3. We believe it is every Christian's privilege and duty to make clear God's plan of salvation wherever and in whatever vocation he or she may be (Mark 16:15; I Thessalonians 2:4).

4. We believe the general plan of salvation is best presented and practiced in the following manner:

1) Establish the fact that all men are sinners (Roman 3:10; Isaiah 64:6; Romans 3:23; James 2:10; Jeremiah 17:9).

2) Establish the fact that the penalty of sin is death (Romans 6:23; Ezekiel 18:20).

3) Establish the fact that man must be perfect to enter heaven (Revelation 21:27).

4) Establish the fact that man can do nothing of himself to obtain this perfection (Ephesians 2:8,9; Galatians 2:21; Romans 4:5).

5) Establish how God provided a Sin-bearer and imputes to man His righteousness (II Corinthians 5:21; Philippians 3:9; Isaiah 53:6; I Peter 3:18).

6) Establish the fact that man needs only belief in the Lord Jesus Christ as his personal Savior for salvation (John 3:16; Romans 10:9; John 1:12; Acts 16:31).

7) Establish the fact that man can be certain of his salvation now, and that his salvation cannot be lost, because eternal life is eternal (John 6:37-39; 10:28; I Peter 1:5; Hebrews 10:10-14; I John 5:13)

H. ETERNAL SECURITY

We believe that once a person becomes a child of God by faith in Christ, he is always a child of God. A person is either saved forever or not saved at all. Eternal security is not a separate doctrine from salvation. It is salvation. Once a person is saved, he can never lose his salvation in any way, or for any reason (John 3:16; 3:36; 5:24; 6:47; 10:28).

I. THE EVIDENCE OF SALVATION

We believe the only evidence of salvation is revealed in whom a person is trusting in to get him to heaven. We believe it is heresy to teach that a person can know he is saved or lost because of his behavior, or for others to believe a person is saved or lost because of his behavior. (Galatians 2:16; Romans 4:5; 11:6).

J. THE CHURCH

We believe that the church, which is the body of the espoused bride of Christ, is a spiritual organism made up of all those who have trusted

Christ as their Savior from the day of Pentecost to the Rapture (Ephesians 1:22, 23; 5:25-27; I Corinthians 12:12-14; II Corinthians 11:2).

We believe that the establishment and continuance of local churches is clearly taught and defined in the New Testament Scriptures (Acts 14:27; 20:17, 28-32, I Timothy 3:1-13; Titus 1:5-11).

We believe that the two ordinances of the local church instituted by Christ are water baptism and the Lord's Supper (communion). These are steps of obedience in a Christian's life (service) and are not for salvation (Matthew 28:19; I Corinthians 11:23-28).

K. THE CHRISTIAN WALK

We believe every true child of God possesses eternal life, is justified by faith, sanctified by God, sealed with the Holy Spirit, safe and secure for all eternity, and cannot lose his salvation. However, a Christian can, through sin, lose fellowship, joy, power, testimony, and rewards, and incur the Father's chastisement. Relationship is eternal being established by the new birth; fellowship, however, is dependent upon obedience.

God guarantees salvation, it is His gift to us. God guarantees reward and fruit to the obedient son. God guarantees chastening and loss of rewards to the disobedient son. (Rewards once earned, cannot be lost.) God does not cast out disobedient children, but in some cases, does take them home. He does not permit His children to live as they please without discipline and guidance (I Corinthians 3:11-17; 5:1-5; 11:30-32; Hebrews 12:5-11).

I John 1:9 is not a verse for salvation but a precious promise to Christians for cleansing and forgiveness. I John 1:9, does not guarantee restoration of fellowship or restitution from physical damage caused by sin. It is heresy to teach that confession of sin produced spiritual fruit. Confession of sin places the Christian in a position where he can have fellowship with

God. I John 1:6,7 teach that fellowship is the result of the Christian's walk and not the result of the confession of sin. Spirituality, of which fellowship is part, comes from the Christian's obedience to God (II Peter 1:5-8; Colossians 1:10; John 15:8; I John 1:6,7; Galatians 5:22).

L. THE TWO NATURES OF THE BELIEVERS

We believe a true child of God has two births: one of the flesh and the other of the Spirit. The flesh nature is neither good nor righteous. The Spiritual nature does not commit sin. This results in warfare between the Spirit and the flesh, which continues until physical death, or the return of the Lord. (The new birth cannot change in any way the flesh nature of man, but the flesh nature can be controlled and kept subdued by the new man.) All claims to the eradication of the old nature in this life are unscriptural (John 3:3-7; Romans 8:8; 7:15-25; Galatians 5:17; I John 3:9; 5:18; I Peter 1:23).

M. THE TWO PHASES OF THE SECOND ADVENT

We believe that the Rapture consists of the coming of Christ from heaven and the saints on earth meeting Him in the air. We believe in the personal, pre-millennial, and pre-tribulational return of our Lord and Savior, Jesus Christ (I Thessalonians 5:9-11; 1:10; 4:13-18; Titus 2:13; I Corinthians 15:51-53).

We believe that Christ's coming with His angels to earth is in power and great glory. This coming is preceded by the seven-year tribulation which begins immediately after the Rapture (II Thessalonians 2:1-8; Isaiah 26:17-21; 27:1; Matthew 24; Revelation 4:4).

N. THE PERSONALITY OF SATAN

We believe that Satan is a person, the author of sin and the cause of the fall. We believe that he is the open and declared enemy of God and man, and that he and his angels will be eternally punished in the Lake of Fire (Job 1:6,7; Isaiah 14:12-17; Matthew 4:2-11; 25:41; Revelation 20:10).

O. THE MINISTRY AND SPIRITUAL GIFTS

We believe that God is sovereign in the bestowment of all His gifts (Romans 12:6-8; Ephesians 4:11-12; I Corinthians 12:18).

We believe the gift of tongues (languages) was a manifestation of the Holy Spirit's power solely for the demonstration of God's wisdom, purpose, and power in the establishment of the early church. This gift was always a spoken known language of that time, and a sign for the unbelieving Jew (Acts 2:6; I Corinthians 14:22; Hebrews 2:4).

We believe that God does hear and answer, in accord with His own will, the prayer of faith for the sick and afflicted (John 15:7; I John 5:14,15). God can heal, but physical healing is not in the atonement. God heals miraculously today when it is His perfect will to do so. Healing cannot be claimed through the guarantee of the atonement. At times it is God's will for sickness not to be removed (II Corinthians 12:8-10; James 5:14-16).

We believe that speaking in tongues, and the working of sign miracles gradually ceased as the apostles passed off the scene. New Testament Scriptures were completed and their authority became established; the sign gifts were no longer necessary. (I Corinthians 12:4-11; II Corinthians 12:12; Ephesians 4:7-12).

P. THE RESURRECTION

We believe there is a resurrection of the saved and of the lost; of the saved unto eternal life, and of the lost unto eternal conscious punishment. These two resurrections are separated by at least 1,000 years (I Thessalonians 4:13-18; Daniel 12:2; Revelation 20:5-15; Matthew 25:41).

Q. SEPARATION

We believe that all of the saved should live in such a manner as not to bring reproach upon their Savior and Lord, and that separation from all religious apostasy, all worldly and sinful pleasures, practices, and associations is commanded of God (II Timothy 3:1-5; Romans 12:1,2; 14:13; I John 2:15-17; II John 9-11; II Corinthians 6:14-7:1).
